INTERFAITH ENCOUNTER ASSOCIATION

**Data Sheet 2019**

2019 was challenging for the Interfaith Encounter Association, in losing USAID grant and in terms of permits. Despite the challenges, which negatively affected the activity of thirteen groups, we were able to sustain most of the growth of the last few years and oversaw **384 encounters**. The growing commitment was reflected in the fact that our group roster boasted **105 groups** in that year. It is estimated that over **four thousand people** participated in these encounters. To see our year-to-year growth, please refer to the graphs at the bottom of the page.
