Data Sheet 2021

2021 was another challenging year for the world and for the Interfaith Encounter Association. But it was also a year of hope, in which we resumed activity of many groups and started new ones. Altogether we returned to the activity level of 2019 and oversaw 384 encounters. The growing commitment was reflected in the fact that our group roster boasted 116 groups in that year. It is estimated that over four thousand people participated in these encounters. Some 15,000 people visited our website during the year. To see our year-to-year growth, please refer to the graphs at the bottom of the page.
